### Pupil Premium Reporting to Parents

#### Principles

The government introduced new funding arrangements for schools in 2011. This included the introduction of a Pupil Premium, which is linked to the number of pupils who receive Free School Meals, looked after children and service children.

At Forton Primary School:

- we ensure that teaching and learning opportunities meet the needs of all pupils.
- we ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.
- in making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- we recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals; we reserve the right to allocate the Pupil premium funding to support any Pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
- pupil premium funding is allocated following a needs analysis which identifies priority classes, groups or individuals: limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.
