

Forton Primary School

School Sports Premium

Principles

As part of the Olympic legacy, the Department of Education and the department of health have made £150 million available to primary schools in the United Kingdom. This equates to a grant of £8000 per school, plus an additional £5 per pupil in key stages one and two.

The funding is ring fenced, meaning that it can only be spent on improving the provision of physical education, school sport and healthy, active lifestyles. Suggested uses for the money include but are not limited to:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE.
- Supporting and engaging the least active children through new or additional Change4life clubs.
- Paying for professional development opportunities for teachers of PE and sport.
- Providing cover to release primary teachers for professional development in PE and sport.
- Running sports competitions or increasing pupil's participation in the School Games.
- Buying quality assured professional development modules or materials for PE and sport.
- Providing places for pupils on after school sports clubs and holiday clubs
- Pooling the additional funding with that of other local schools.

Sports Premium Statement 2017/2018

Forton School receives this additional funding to support the development of Physical Education and Sport in school. This money is in addition to the curriculum funding for PE and sport from the main school budget.

For the academic year **2017/2018** our primary PE and Sport funding will amount to c.a. **£8400.00** and will be used to provide for the areas of PE, School Sport and Healthy Lifestyle.
