We are trying something new...

Join your child for a lesson at Forton School!

We are often asked about the ways and methods that we use to teach your children and we are aware that teaching is continually changing and this can be a mystery for parents.

So, we thought that we would invite a limited number of parents, due to space restrictions in classrooms, to join their child for a full lesson. This is an opportunity to learn along your side, full involvement is required!

We are trialling this idea in Class 1 and Class 4 in the first instance and if we feel that it is a worthwhile experience we will roll it out next term to Class 2 and 3 parents and make it a regular feature.

The day, time and subject of the lessons on offer are below. If you would like to take up this offer, please speak to Mr hall or Miss Hackett. Places will be given on a first come first served basis and are strictly limited.

CLASS 1 3 parents at each session	CLASS 4 6 parents at each session
Tuesday 21 st March 11:30 – 12:00 PHONICS	Wednesday 22 nd March 10:45 – 11:45 READING
Wednesday 22 nd March 10:45 – 11:20 MATHS	Thursday 23 rd March 9:00 – 10:00 MATHS
