COMMUNITY NEWS

The Village Hall Committee has made a request to all parents that you talk to your children about NOT sitting on the oil tank in the car park. Some damage was done to the tank which has meant that repair work had to be done in order for the heating to work. This caused unnecessary expense and inconvenience.

Field Day Retinue

The Committee are still looking for girls and 2 boys to represent Forton at our Field Day and other local village events, please contact Lynne Oliver in the school office, if your child would like to take part

Mrs and Mrs Aston have one **child's** ticket going spare for Last Choir Singing, please contact them directly if you can use it

We are trying something new...

Join your child for a lesson at Forton School!

We are often asked about the ways and methods that we use to teach your children and we are aware that teaching is continually changing and this can be a mystery for parents.

So, we thought that we would invite a limited number of parents, due to space restrictions in classrooms, to join their child for a full lesson. This is an opportunity to learn along your side, full involvement is required!

We are trialling this idea in Class 1 and Class 4 in the first instance and if we feel that it is a worthwhile experience we will roll it out next term to Class 2 and 3 parents and make it a regular feature.

The day, time and subject of the lessons on offer are below. If you would like to take up this offer, please speak to Mr hall or Miss Hackett. Places will be given on a first come first served basis and are strictly limited.
