Thursday 11th May ~ **Online Safety Awareness Training for Parents**

Keeping up to date with what your children are doing online is daunting. Technology is constantly advancing and sometimes we parents feel that our children know more about the internet than we do. They have the knowledge BUT we have the wisdom!

Whatever their age, this evening is designed to help you find out more about what they might be doing online and give you some simple, practical and easy advice on the steps that we as parents can keep them as safe as possible.

PLEASE ATTEND THIS EVENT.

Introducing our Internet Safety Champions – Finn Blakely, Patrick Gallagher, Harry Craig, Tom Craig, Mrs Simpson and Mrs Briggs. All they need to complete this task force is now is a parent or a member of the community to join them. If you are able to spare an hour on a Wednesday morning you are welcome to join them

Years 3 and 4 Basketball – After a 40 minute training session with Mr Grecic at GCA, the team took part in a small tournament against Garstang St Thomas and Community Primary.
